

PHYS 723 Homework 8

Nick Tyler

1. The CKM matrix triangle representation with axes of $\bar{\eta}$ and $\bar{\rho}$. The values for $\bar{\eta}$ and $\bar{\rho}$, as well as their errors were found on the CKM fitter website. [<http://ckmfitter.in2p3.fr>]

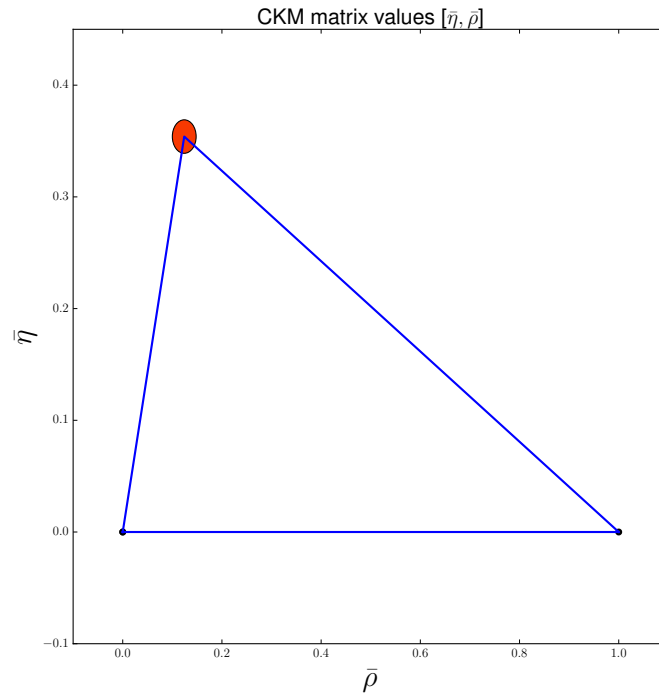

Figure 1: Values for $\bar{\eta}$ and $\bar{\rho}$ plotted with error ellipse.
